Interpretive Program and Event Descriptions

Kidleidescope

Wednesdays @ **10:30am**
Meet at Visitor Center

Join the Park Interpreter for this eight-part pre-school aged program focusing on urban nature and the city of Holyoke. Each week will include a story time and an activity focusing of topics such as gardens, trees, animals in winter, water power, and paper making, among others. Parents must accompany children. Please have your child ready to be bundled up for outdoor portions of the program.

Urban Hike

Sundays @ **12:00pm** &
Tuesdays @ **2:00pm**

Bundle up and stay active through the winter. Join a Park Interpreter for an easy 1 mile walk through Heritage State Park and along the nearby canals. Wear walking shoes and warm clothing for a relaxing walk on flat, paved ground. Great for all ages.

Ongoing

Short 15 minute tours offered every half hour by request pending no programs are scheduled. Walk-ins welcome!

Self Guided Walking Tour

Ask for the walking tour booklet available in the Visitor Center.

Exhibition Hall Displays

View and touch displays on the History of Holyoke, including the dam and canal system, power and energy, paper making and the cultural history of immigration and Holyoke's people. Displays are in the Exhibition Hall in the Visitor's Center.
